

IF A DATE WANTS TO VIDEOTAPE YOU, WATCH OUT!

If a date wants to pay you to be in a video and you're over 18, and you don't mind who sees it later, that's your business. **Otherwise, think twice.**

Most kinds of sex are legal to do once you get to be 14. **But if you are under 18, it is against the law to pay you for sex.** It is also a crime to **make or own** sexy pictures (videos, polaroids, even drawings!) of someone under 18 years old.

If you are under 18 and police get a sexy picture of you, you could be forced to name your friends, lovers and customers, or even put in a detention centre!

Any video is evidence that can be used against you.

This has already happened to boys working in Toronto, London and Vancouver.
